It is the student's responsibly to notify the Financial Aid & Scholarship Office of all outside resources. Outside resources are first used to meet any unmet need. They are then used to reduce need-based, self-help (loans and/or Work Study) and then gift aid. Any outside resource added that results in the student's aid being over financial need and/or the Cost of Attendance may result in a reduction of need-based aid.

**Outside Resources** include but are *not limited* to:

- Outside Scholarships (Organizations, high school, church, etc.)
- Texas Workforce Commission (DARS )
- Employer Benefits
- Outside Private Loans (this does not include Federal Direct Loans, Perkins, or PLUS loans)
