

## CARES ACT – Summer II (2021)

Dear Lion Family,

The CARES Act funds are now available for the Summer II term. These emergency funds are available to **all** qualified A&M-Commerce students enrolled in one or more courses, including online, for the Summer II term.

The federal CARES Act provides funds to students who have experienced financial hardship related to the COVID-19 pandemic. The funds may be used to assist students with college attendance costs, including housing, food, healthcare, childcare, living expenses and more.

If you were enrolled in classes at A&M-Commerce on or after **March 13, 2020**, you may be eligible for these federal stimulus funds. To assist our students as efficiently as possible, we will distribute funds after the 15th class day of the Summer II term using the student's existing refund delivery method on file with Bank Mobile. Graduate students may receive **up to \$1,150**, based on semester credit hours enrolled.

There is no action needed on your part; however, if funds do not automatically appear in your account by the end of this week, please email [HEERF@tamuc.edu](mailto:HEERF@tamuc.edu) so that we can assist you as quickly as possible.

Funds may also be available to assist with past due balances. If you have a past due balance and are currently enrolled in classes at A&M-Commerce, please get in touch with your graduate enrollment specialist for additional information.

If you have any questions about CARES Act funds, feel free to contact Sarah Baker at [Sarah.Baker@tamuc.edu](mailto:Sarah.Baker@tamuc.edu).

All the best,

Mark Rudin  
President
