MYTHS & FACTS OF SOCIAL WORK

Myth: Social Workers are only welfare and CPS workers

Fact: Not all welfare and CPS employees are social workers. Licensed social workers are professionals in schools, hospitals, mental health centers and can even have or own a private practice as therapists, grant writers, and other specialized services.

Myth: A kind heart is all you need to be a successful social worker.

Fact: Besides empathy, social workers attend college to obtain the knowledge and skills obtained with a college degree pass the license exam in social work to identify as a social worker and practice the profession.

Myth: Social workers only make around \$16,000 a year.

Fact: In Texas, licensed social workers with a bachelor's degree can make between \$45-55k a year.
