

Environmental Policy Statement

Texas A&M University-Commerce recognizes that it has a responsibility to the environment beyond legal and regulatory requirements. We are committed to reducing our environmental impact and continually improving our environmental performance as an integral part of our mission of teaching, research, and public service. We will encourage students, faculty, staff, contractors, suppliers and other stakeholders to do the same.

Policy Aims

We endeavor to:

- Comply with and exceed all relevant regulatory requirements.
- Comply with all specific University and System policies.
- Continually improve and monitor environmental performance.
- Continually improve and reduce environmental impacts.
- Incorporate environmental factors into business decisions.
- Increase employee awareness and training.
