PROGRAMS FOR MINORS ELIGIBILITY

All programs requesting use of University facilities must have a University sponsor. Third Party programs must sign and submit the third-party **Camp or Program Agreement** for approval as part of the application process.

AGE OF PARTICIPANTS & RATIO REQUIREMENTS

Program participants under ten (10) years of age are not permitted to stay overnight in the residence halls unless accompanied by parents and under close supervision at all times. Students under eighteen (18) years of age must be accompanied when crossing from residence halls to campus by an adult at all times. Each program must have a staff to participant ratio that meets the following requirements:

5 years and younger	1	5	6
6–8 years	1	6	8

Additional adult/counselors per participant may be required, depending on the activity of the program. Directors will be notified prior to the approval of the program should additional staff be required.

REQUEST FOR FACILITIES

The first step for the Director will be to submit a completed *Program for Minors Reservation Form* online. The form should be completed with estimated of size of the program. Housing, meals, meeting space and other requests will be reserved according to the stated needs on this form. Completion and return of these forms as early as possible will help assure that each specific need will be met. Completion of this form does not guarantee approval, as some areas are limited and will be supplied on a first-come, first-serve basis. The form can be found online. To register please visit the following address as soon as possible: <https://apps.ideal-logic.com/tamusyouthsafety> . Once there you will need to create or log into an account and apply for your session of camp in the software system.

BILLING PROCEDURES

Billing for programs will be handled through the Programs for Minors Office. Cost for meals, housing, and insurance (if applicable) will be negotiated each year and the projected costs made available upon request. The process begins with a quote based on the best estimate for total attendees submitted on the reservation form. An account number or billing address should be supplied at the time of the original Program for Minors reservation. A 50% deposit of projected cost is required 10 days before start of camp. After the program is

completed, one total bill for lodging, damages, lost keys, meals, special banquets, Sodexo food service deliveries and pick-ups, and other applicable costs minus the 50% deposit will be assessed and billed to the program Director. Insurance through the Texas A&M University System will be billed separately after the event.

Cancellations must be made **in writing** to the Program for Minors Coordinator at least ten (10) days prior to the start of the program.

INSURANCE REQUIREMENTS

Third Party Camps and Programs for Minors shall meet the insurance requirements for The Texas A&M University System and provide evidence of a general liability insurance policy under which East Texas A&M is listed as "Certificate Holder." Insurance should be supplied by the Texas A&M University System Office of Risk Management and will be applied for at the time of program approval by the university, no later than 10 days in advance of program start date. The Director and Sponsor are responsible for ensuring each participant/parent signs the appropriate liability waiver(s). The waiver(s) must be signed by each program participant and their parent or guardian and returned to the Coordinator before the program begins. We will not accept other waivers - the waiver on our website must be used for ALL Programs. Participants will not be allowed to participate in activities without the signed waiver.

RESIDENTIAL LIVING AND LEARNING (HOUSING)

Camp Directors/Sponsors interested in hosting their group in the residential communities for the summer season can begin completing our [Camps and Conferences Housing Reservation Form](#) as early as October 1st each year. Once the form has been submitted, Residential Living and Learning will review and follow up as needed. Submitting a reservation form is only a request and does not guarantee approval. Groups with same dates may result in two or more groups occupying the same residential community.

If information changes after the reservation form has been submitted, email RLLCamps@tamuc.edu.

Before the arrival of each group, Residential Living and Learning will host three (3) meetings:

- **Welcome Meeting** – The purpose of the Welcome Meeting is for the Camp Director/Sponsor to meet Residential Living and Learning staff, review our policies and procedures for staying on campus in the residential communities, and confirm dates, times, early arrivals/late departures, and assigned housing location. **Residential Living and Learning will begin hosting Welcome Meetings virtually in February each year.**

- **30-Day Meeting** – During the 30-day Meeting, the Camp Director/Sponsor group will receive the room assignment process and floor plan for their assigned residential community. Residential Living and Learning will also provide the Camp Director/Sponsor with an initial quote. Any date or time changes after this meeting will be subject to a \$75 change fee.
- **10-Day Meeting** – By the 10-Day Meeting, the Camp Director/Sponsor should have completed their room assignment process so it can be reviewed. In addition, Residential Living and Learning will confirm all details to ensure we are prepared to welcome your group to campus.

Any early arrivals or late departures (prior to the actual check-in/out date and time) should be communicated to Residential Living and Learning during the Welcome Meeting, and an additional fee will be charged (See our rates below). Depending on availability, early arrivals/late departures may be housed in a different residential community and must have authorized supervision.

Additional Residential Living and Learning Policies & Procedures

Accommodations: Any groups requesting special accommodations should contact RLLCamps@tamuc.edu.

Alcohol: Alcohol is not allowed in the residential communities at any time.

Authorized Entry into Rooms: Entry into a room does not usually constitute a search. Residential Living and Learning or University personnel may enter a room to remove a potential fire, safety, or health hazard; perform maintenance; correct situations intruding upon the comfort of others (e.g., a phone or alarm clock continuously ringing, loud radios, etc.); retrieve items upon request of the participant's immediate family; and retrieve the personal belongings of other individuals where there is no apparent dispute to ownership of the property.

All other situations requiring entry into a room should be coordinated with Residential Living and Learning staff, who may consult with the University Police Department (UPD).

Cleaning Fee: Cleaning charges may result if the participant leaves the room in any condition requiring custodial personnel to be called in for extra cleaning or removing trash from the room or residential community.

Controlled Substances: Unlawful use, manufacture, possession, or delivery of any controlled substance or dangerous drug is prohibited in the residential communities.

Daily Cleaning: Custodial staff are available Monday through Friday. Common areas and community bathrooms are cleaned daily. Individual rooms, including trash, are the participants' responsibility. Any custodial concerns should be reported to Residential Living and Learning staff.

Program participants are responsible for removing all trash and trash bags from the residence hall; failure to do so will result in an additional charge.

Damages: The camp/conference group will be charged for any damages to the residential communities. Attaching signs or posters with tape to the doors or walls may result in damage charges. The University is not responsible for any damage to a participant's room due to theft, vandalism, or maintenance failure. Residential Living and Learning encourages a participant to conduct a walkthrough inspection of each room before checking in. All pre-existing damages should be noted at that time. Residential Living and Learning staff will be available to inspect each room with the Camp Director/Sponsor upon request. Additionally, the Camp Director/Sponsor is responsible for ensuring any writing on the walls, mirrors, or doors is removed before check-out.

Desk: The front desk for each residential community will be open from 10:00 a.m. to 10:00 p.m. while a camp/conference group is checked in. A Conference Assistant (CA) will be on duty at all times. The CA On-Duty number will be shared during the 30-Day and 10-Day Meetings.

Desk Deliveries: Prepaid merchandise may be delivered to the residential communities while it is open. Residential Living and Learning Staff will notify participants of a delivery but are not accountable for such items. Participants will be contacted for deliveries when payment is needed.

Discipline and Supervision: The Camp Director/Sponsor or designee is responsible for administering discipline to participants who violate program or University policies. Residential Living and Learning staff will temporarily handle the situation when the Camp Director/Sponsor or designee is unavailable. In cases of severe discipline violations, Residential Living and Learning staff reserve the right to recommend that a participant be sent home. Violation of federal, state, or municipal law will require the involvement of the University Police Department (UPD). All programs must provide on-site participant supervision throughout the duration of the program. This includes overnight supervision within the residential communities. Participants will not be allowed inside the residential communities without adult supervision.

Disruptive Behavior: Any person engaging in inappropriate conduct or language, disrupting performance, or creating disturbances at events will be asked to leave the premises and/or escorted from the building by the University Police Department (UPD).

Door Propping/Pulling: Due to safety concerns, propping or forceful pulling open any residence hall door, including laundry room doors, is strictly prohibited. **Participants responsible for this violation will be charged \$50 per instance to their student account.**

Emergency: In case of an emergency, call 911 or University Police at (903) 886-5868.

Evacuation Procedures: When an emergency alarm is activated, all persons are required to evacuate the building by proceeding to the nearest clear exit. Stairwells must be used instead of elevators. If the participant cannot exit the room, a towel, sheet, or similar item should be placed outside the window so that emergency personnel will know someone is in the room. Camp Directors/Sponsors may request that a fire drill be scheduled during the program by contacting Residential Living and Learning staff before arrival.

Facility Sharing: Groups with same dates may result in two or more groups occupying the same residential community.

Firearms/Weapons: In accordance with university and state law regulations for firearms on campus, the possession of guns/ firearms without a license is prohibited. The open carrying of handguns is prohibited on campus with or without a license (see Texas Government Code Section 411.2031 and Texas A&M University system policy 34.06.02R1). Any resident of campus housing who has a handgun license holder and wants to store a handgun in his/her assigned room must provide their own safe, intended and manufactured for handgun storage. The resident may not provide access to their safe to any other individual. Failure to comply with this rule may result a participant being asked to leave. Some specific items to note when requesting the particular spaces:

- **Swimming Pool.** The MRC swimming pool is limited 200 program participants at a time. Based on the number of participants, Campus Recreation staff will determine whether the pool reservation is exclusive use or shared use. The show catalog can be found at: <https://www.tamuc.edu/planetarium/show-catalogue/>. The planetarium has a seating capacity of 81 and shows can be scheduled according to facility availability.

RAYBURN STUDENT CENTER (RSC)

Rooms in the Rayburn Student Center (RSC) are made available to Programs for Minors on a first-come, first-serve basis following established RSC policies. Only food purchased through the Sodexo is to be served in the RSC meeting rooms. Arrangements for room set-up and food orders for banquets or meetings must be made through Sodexo two (2) weeks prior to the event. Failure to notify Sodexo of a cancellation approximately 72 hours in advance of the scheduled activity will result in payment of the cost incurred by the RSC or Sodexo personnel.

RSC decorating restrictions will be strictly enforced, please see Decorating and Safety Rules: <https://www.tamuc.edu/rayburn-student-center/policies/>. Lounges are primarily intended for general use by the public. Due to limited space in the RSC, rooms in the RSC will not be available for storage before the program dates. Boxes shipped before the group's arrival to the campus must be held by the sponsoring department. Please contact the Coordinator for room availability and associated usage fees.

RSC Dining Services. By contract, Sodexo has exclusive rights to provide food services on the East Texas A&M campus including catering services. All events requiring food service, to include the serving of refreshments for meetings, must first be reserved through the Scheduling Office. The sponsoring organization must contact Sodexo for their food arrangements. Sodexo is responsible for compliance with all health regulations, licensing and alcohol service. Sodexo will provide all food service support for events held in RSC. Exceptions to this policy must be approved in advanced by the director of Sodexo.

Statement of Client Responsibility. Shirts and shoes must be worn in the RSC at all times for both safety and hygiene reasons. RSC will not be responsible for any articles lost in the building. Items found following an event will be taken to the Information Desk on the 1st floor. On weekdays during the fall and spring semesters, use of meeting rooms are limited to three (3) hours per meeting for all users. This time limit may only be exceeded with the prior approval of the Associate Director or designee.

RSC staff should be notified of space cancellations prior to the scheduled event time. Two “no shows” may jeopardize future opportunities to reserve space in RSC. Failure to cancel reservations for events involving special set-up at least one working day prior to the event date may result in a fee of not less than \$25.

Clients that misrepresent an event or affiliation in order to avoid fees and charges will be charged appropriately, may incur additional charges, and could have reservation privileges suspended. These determinations will be made by the Associate Director or designee.

Sponsoring groups or clients are responsible for damages to the facility or equipment. Any necessary cleaning charges or repairs will be the responsibility of those using our facility.

The RSC staff reserves the right to deny space usage for any group/event that is programmatically or operationally impossible to accommodate or that conflicts with the University's mission or policies.

Prohibited Items and Activities. Smoking and all tobacco use is not permitted on the University campus. Pets of any kind, excluding service animals, shall not be permitted in the RSC. Bicycles, skateboards and rollerblades are not allowed in RSC. Please secure those items outside of RSC premises. Illegal drugs or other illicit substances are not permitted. Violators will be escorted from the building. The University Police Department will be contacted for further action.

Disruptive Behavior. Any person engaging in inappropriate conduct or language, disrupting performance, or creating disturbances at events will be asked to leave the premises and/or will be escorted from the building by an officer of the University Police Department.

Recognized Student Organizations, University departments, and/or individuals reserving rooms within the RSC are responsible for making sure that each guest is abiding by the guidelines set forth. You will be held accountable for any alterations or damages to the building property and/or equipment.

Events requiring amplified sound must not disturb other events within the RSC or other academic buildings. Should the event cause a disturbance, RSC staff will contact the event sponsor to indicate when volume and/or other issues need to be adjusted. Any group who does not respect and comply with these requests will be asked to leave the building. If, during the course of the event, accidental damage does occur, it should be reported immediately to the building manager so arrangements can be made for cleanup and restitution.

Damage to any room/space/furnishings and/or equipment by a group will result in appropriate charges, based on fair market cost of replacement/repair/additional cleaning to the RSC property or equipment.

The group will be notified, in writing, of the damages. A meeting will be held with the group representatives and the Associate Director or designee to discuss the damages. RSC staff will send an invoice to the responsible group for restitution.

In all cases (cleaning or damage), no further reservations will be accepted until the invoice is paid in full.

If a tornado is spotted in Commerce or the vicinity, the University Police Department's Communications Center will send an emergency notification alert and activate the tornado sirens. These sirens are strategically placed across the City of Commerce and will sound for up to three minutes once activated. Please seek shelter once these sirens are activated or the alert is received.

The campus also deploys an early lightning detection system through Perry Weather. These sirens will sound once for fifteen seconds without a break to alert that lightning has been detected within ten miles of campus. You should seek shelter in the nearest building preferably. DO NOT seek shelter under trees, metal roofs, near large water sources, etc.

Once the storm has cleared the area, the sirens will sound in three five-second bursts to alert an all-clear. Perry Weather also tracks several meteorological statistics for the campus, all of which can be viewed in the following link. The green check and clear notates that there is no lightning within ten miles of campus.
