**Myth:** A kind heart is all you need to be a successful social worker.

**Fact:** Besides empathy, social workers attend college to obtain the knowledge and skills obtained with a college degree pass the license exam in social work to identify as a social worker and practice the profession.

**Myth:** Social workers only make around \$16,000 a year.

**Fact:** In Texas, licensed social workers with a bachelor's degree can make between \$45-55k a year.
